

Vana Nava Hua Hin

Vana Nava Hua Hin, a water park designed to be harmonious with nature and was built under the concept of "Water Jungle", the first in Asia. There is a combination of water park and tropical forest together. Every element has strengthened Vana Nava Water Jungle in being "More than just a water park", but an entertainment complex filled with lifestyle activities for all ages and solidly marked on the tourism map as a significant destination in Thailand. In the water park.

There are many attractions such as "ABYSS" The largest water slide in Thailand! "BOOMERANGO" The Longest water slide in Thailand.

"AQUACOURSE" The only of its kind in Thailand, an exhilarating course of ropes and challenging obstacles.

"AQUALOOP" The first vertical looping slide in Thailand. This slide is exhilarating for riders and spectators, with speeds of up to 60 km per hour.

"CLIMBING WALL" Our 13 metre high Climbing Wall offers an exhilarating outdoor adventure for all, including the kids!

"ROPES COURSE" Ropes Course is an adventure rope climbing that Vana Nava is elevating its visitors to new heights! With 13.4 metres high.

"CHANG SURF ZONE" Ride the Waves at Vana Nava! Featuring ultimate in surf simulators, the Double Flow Rider provides fast moving waters on a double-wide width.
